It is also good practice to properly reference the article in your analysis, which includes the date, author, source, and title. Form: The form of a Language Analysis text can vary, from newspaper articles, blogs, comics, or even speeches.

Newspaper Analysis Instructions and Examples

Although newspaper readership has declined over the past several decades due to the emergence of television and the internet as dominant news formats, the news article is still prominent in today's society. Whether read in print or online, the news article hasn't changed its format of using text and photographs to create a story for hundreds of years. The newspaper article, also sometimes ...

Analysing Newspaper Articles (short version) Many textbook reading tasks start with asking students to look at the title of the piece and predict what they will read from it. This is much more difficult with a newspaper article because the headline is often the most difficult part of the article to understand, and the same is at least as true for students reading on their own.
