Shepherding a Child's Heart. In the ten years since the publication of Shepherding, Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world. That, coupled with ten years of insights into God's Word on the subject, has resulted in a broader and deeper understanding of the content

and application of Shepherding a Child's Heart. Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children. Self-Compassion Victor CBA BESTSELLER

An invitation for every woman who's ever felt she isn't godly enough, isn't loving enough, isn't doing enough. "Easy to read, personal, and well-written with a message much more than surface deep.

Joanna probed, challenged, and encouraged me to live day by day as Mary in a Martha world." —Carole Mayhall, author of Come Walk with Me and Here I Am Again, Lord The life of a woman today isn't all that different from the lives of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet . . . but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him . . . yet you struggle with weariness, resentment, and feelings of inadequacy. Then

---

comes Jesus, into the midst of your busy life, to extend the same invitation he issued long ago to the two sisters from Bethany. Tenderly, he invites you to choose “ the better part ” —a joyful life of intimacy with him that flows naturally into loving service. With her fresh approach to the familiar Bible story, Joanna Weaver shows how all of us, Marys and Marthas alike, can draw closer to our Lord: deepening our devotion, strengthening our service, and doing both with less stress and greater joy. This book includes a twelve-week Bible study for individual

or group use. A Study Guide and a corresponding ten-session video series on DVD or online are available separately. *Building an Effective Women's Ministry* Crossway More than mere whimsy, joy is the weapon we can use to fight life's greatest battles. [Air Force Chaplains: Air Force chaplains, 1981-1990](#) Multnomah This in-depth 6 week Bible study will help you see the church as Christ sees her - a

shining Bride preparing for her beloved Bridegroom. You will discover how Jesus often used the marriage relationship to teach us about Himself, His purposes and His ways. The study draws from the rich symbolism of the ancient Jewish wedding customs, familiar during Jesus' time, but not

---

always understood by today's Christians. This remarkable journey through Scripture will encourage and inspire you as you come to better understand God's plan for the church and how believers can work together to prepare for Christ's return. By the conclusion

of this study, you will discover fascinating biblical truths that point the climax of human history—the marriage feast of the lamb! Women Mentoring Women Loyola Press What Keeps Us from Flourishing? We all long to live out our faith with daily joy, but so often that joy eludes us. Why is that? More often than we realize, it's because we've absorbed messages that curve us in on ourselves. These messages have even crept into the church,

disguised as truth. It's time we learn to discern teaching that's toxic from that which is true and pure. Flourish equips us with tools to identify the lies that come at us about where to find real life. As we dig deep into what God says in his Word, we will learn to discern the worldly influences that threaten to warp our understanding of what it really means to be a Christian, and emerge with a faith that flourishes—full of the abundant life Jesus promises. On Being a Servant of God Abingdon Press This important book offers an edifying narrative of Indonesian women who find a

---

new and powerful voice in the course of preparing to become Christian pastors and theologians in their native land. By assuming roles of responsibility, these women stand ready to transform understandings of gender differences that have traditionally governed Indonesian culture, like the notion that women are an inferior sex and not suited to leadership. In a broader sense, they join a growing global course toward gender equality and the evolution of

women ' s spirituality. Frances S. Adeney clearly shows how religious-inspired resistance led these women to create new practices and theologies designed to foster parity. Realizing that Western ideas are inapplicable to foreign issues of gender and religion, the author sheds light on the twin questions of cultural isolation and the complexities of doing research in the postmodern era. Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that

leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God

for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

“ Have faith ” is a phrase we hear all the time. But what does it actually look like to live it out? In The Mothers and

Daughters of the Bible Speak, Shannon Bream examines the lives of biblical women to see how God ' s plans can turn our worlds upside down. She tells the story of Jochebed, a mother who took enormous risks to protect her son, Moses, from Pharaoh. Could Jochebed have imagined that God ' s actual design for her son involved flight into exile and danger? And yet this was all part of the master plan to deliver Israel from slavery. Another biblical mother, Rebekah, made terrible

choices in an attempt to ensure her son ' s place in history. And a daughter, Michal, struggled to keep her faithless father, Saul, from sin, while battling pride in herself. Through these stories, Shannon explains the intimate connection between faith and family—and how God ' s unexpected agenda can redefine the way we think about family. Not all of these mothers and daughters in the Bible were paragons of virtue. Like us, they were

---

human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring about His divine plans. He's still doing the same work in our lives today. The Mothers and Daughters of the Bible Speak shows that faith is more often a twisting road than a straight line. Yet, as the stories of biblical families attest, at the end of

these journeys lies greater peace and joy than we could ever imagine. Supplemental enhancement PDF accompanies the audiobook. Having a Mary Heart in a Martha World InterVarsity Press 2019 Best Book Awards, Winner in Religion: Christianity 2018 Catholic Press Association, 3rd Place in Scripture: Popular Studies 2018 Independent Press Award, Distinguished Favorite: Religion Non-Fiction In Jesus Approaches, Elizabeth Kelly shares vivid stories of New Testament women whose encounters with Jesus freed them to flourish in life. The stories are supplemented with

moving accounts from her own life, and from the lives of women like you, to demonstrate that sometimes the best way to find healing, strength, and wholeness in Christ is, ironically, to lead with vulnerability and openness. Ultimately, Jesus Approaches teaches that finding the fullness of life for which you were created begins with bringing your brokenness to the Lord. Jesus Approaches Crossway She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is

true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered,

through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time.

Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
