This new, fully updated third edition of Bradt's Uruguay remains the only dedicated English-language guide to a country that's small yet bursting with character. Bradt's Uruguay provides in-depth coverage of the capital Montevideo, where the once-derelict colonial Old City is undergoing a historic resurgence, plus detailed information on the UNESCO-listed coastal city of Colonia del Sacramento, as well as Punta del Este, where the Buenos Aires glitterati decamps to the beaches each summer. There's advice, too, for active travellers who can rattle their whips on cattle-ranching estancias and spin their sticks in a game of polo or two and for nature enthusiasts keen to watch wildlife in the western wetlands and birds in Cabo Polonio and Santa Teresa. The guide also investigates the Brazilian influences behind Uruguay's music and dance, an active and upcoming food and wine scene, and the country's distinctive Afro-Uruguayan heritage, most noticeable during the world-beating 80-day Carnaval

season. In addition, it covers the recent development of marijuana tours following the legalisation of marijuana. Uruguay caters for all tastes, whether you want to ride with gauchos and spend time on a traditional estancia like La Sirena, visit Fray Bentos and discover the history of the town's former meat-packing plant, or take a tour of the Canelones department wineries. Montevideo's Splendid Art Deco architecture and colourful annual Carnival are covered, and so too are the stunning sandy beaches of boho-chic fishing village José Ignacio and the Termas de Daymán - Uruguay's largest hot baths. Also included are San Javier, an ideal base for bird-watching trips along the Río Uruguay and details of hiking in Quebrada de los Cuervos National Park - a subtropical canyon filled with flowers and birds. Most commonly known for winning the first soccer World Cup, electing the world's so-called 'poorest president', and raising a whole lot of beef on the pampa, Uruguay remains among South America's safest and most stable destinations, an destination replete with interest waiting to be discovered by both leisure and adventurous travellers.

"Most of the essays in this book were originally presented at a 1986 conference on Uruguay; however, several of the chapters were updated immediately prior to publication. Overall, work serves as excellent document on prevailing cultural perspectives in initial years of the return to democracy. Several articles provide a stimulating perspective on dictatorship and democracy"--Handbook of Latin American Studies, v. 57.

Heritage is not what we see in front of us, it is what we make of it in our heads. Heritage sites have been connected to a range of identarian projects, both spatial and non-spatial. One of the most common links with heritage has been national identity. This book stresses that heritage has developed powerful links to regional and local identities. Contributors deal explicitly

with regions of heavy industry in different parts of the world, exploring non-spatial forms of identity: including class, religious, ethnic, racial, gender and cultural identities. In many heritage sites, non-spatial forms of identity are interlinked with spatial ones. Civil society action has been important in representations of regional identities and industrial-heritage campaigns. Region-branding seems to determine the ultimate success of industrial heritage, a process that is closely connected to the marketing of regions to provide a viable economic future and attract tourism to the region.

Selected case-studies on coal and steel producing regions in this book provide the first global survey of how regions of heavy industry deal with their industrial heritage, and what it means for regional identity and region-branding. This book draws a range of powerful conclusions about the path dependency of particular forms for post-industrial regional identity in former regions of heavy industry. It highlights both commonalities and differences in the strategies employed with regard to the regions' industrial heritage. This book will appeal to lecturers, students and scholars in the fields of heritage management, industrial studies and cultural geography .

Encyclopedia of Latin American and Caribbean Literature, 1900-2003 ABC-CLIO

In this expertly crafted, richly detailed guide, Raymond Leslie Williams explores the cultural, political, and historical events that have shaped the Latin American and Caribbean novel since the end of World War II. In addition to works originally composed in English, Williams covers novels written in Spanish, Portuguese, French, Dutch, and Haitian Creole, and traces the profound influence of modernization, revolution, and democratization on the writing of this era.

Beginning in 1945, Williams introduces major trends by region, including the Caribbean and U.S. Latino novel, the Mexican and Central American novel, the Andean novel, the Southern Cone novel, and the novel of Brazil. He discusses the rise of the modernist novel in the 1940s, led by Jorge Luis Borges's reaffirmation of the right of invention, and covers the advent of the postmodern generation of the 1990s in Brazil, the Generation of the "Crack" in Mexico, and the McOndo generation in other parts of Latin America. An

alphabetical guide offers biographies of authors, coverage of major topics, and brief introductions to individual novels. It also addresses such areas as women's writing, Afro-Latin American writing, and magic realism. The guide's final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel, national literary traditions, and the work of individual authors. From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current

focus on urban violence and globalization, *The Columbia Guide to the Latin American Novel Since 1945* presents a comprehensive, accessible portrait of a thoroughly diverse and complex branch of world literature.

En El astillero Onetti se acerca a un equilibrio casi perfecto, a una economía artística que resulta algo milagrosa. Mario Benedetti Regresar a la alucinada ciudad de Santa Mara, emplearse en el astillero de Petrus y enamorar a la hija de ste es para Larsen la ltima oportunidad de encontrar un sentido. Sin embargo, muy pronto dicha tentativa se convierte en una rigurosa farsa: no hay nada que hacer en un astillero paralizado y en ruinas, ni es posible amar voluntariamente. A pesar de que la vida lo excluye, Larsen continúa impertrrito en su papel, como si no quisiera mirar a la cara a un mundo en vas de extincin, o tal vez porque fingir es la nica salida posible contra la locura. Julio Cortzar dijo sobre Juan Carlos Onetti: El ms grande novelista latinoamericano. ENGLISH DESCRIPTION "In The Shipyard, Onetti comes close to an almost perfect equilibrium, to an artistic economy that

seems rather miraculous." -Mario Benedetti Returning to the dreamed-of city of Santa Mara, getting a job in Petrus's shipyard, and winning the heart of Petrus's daughter is, for Larsen, the last opportunity to find his purpose. However, the attempt soon becomes a meticulous farse: there is nothing to do in a stagnant, ruined shipyard, nor is it possible to will oneself to love. Even though life precludes it, Larsen continues undaunted in his role, as though he doesn't want to look at the reality of a world en route to extinction, or perhaps because pretending is the only possible way out of madness. Julio Cortzar said about Juan Carlos Onetti: "the greatest Latin American novelist."

This Very Short Introduction provides an overview of Latin American literature from the late eighteenth century to

the present. Roberto Gonzalez Echevarria covers a wide range of topics, highlighting how Latin American literature became conscious of its continental scope and international reach in moments of political crisis, such as independence from Spain, the Spanish-American War, and the Mexican and Cuban revolutions. With this narrative, the author discusses major writers ranging from Andres Bello and Jose Maria Heredia through Borges and Garcia Marquez to Fernando Vallejo and Roberto Bolano.
