"Joan Rivers adores jewelry. She loves to shop for it, wear it, and design it. She also loves to talk about it, which is just what she does throughout this glittering volume. Her passion for jewelry - as romantic keepsake, fashion accessory, and personal statement - informs every page of Jewelry by Joan Rivers. She describes the pieces that she has always admired, particularly those that have influenced her own designs. She tells the fascinating stories of her favorite jewelry designers, from the fabulous Faberge to the phenomenal Bulgari brothers. She devotes a

chapter to accessorizing with jewelry, offering countless tips on how to turn that plain outfit into a totally chic ensemble by knowing what jewelry to select, and demonstrating the different looks that jewelry can achieve in a series of fashion photographs taken exclusively for this book." "All of Joan River's love and knowledge of jewelry is reflected in the pieces she designs for her own line of costume jewelry - the Joan Rivers Classics Collection - hundreds of which are reproduced here in specially commissioned, full-color photographs. And she takes us behind the scenes to show us how her jewelry is crafted, from initial sketches to finished product."--BOOK JACKET.Title Summary field

Kids Learn to Crochet Leisure Arts The longtime knitter and vintage fashion expert puts a contemporary twist on classic knit babywear in this beautifully photographed pattern book. While working as a vintage clothing dealer, combing through estate sales and eBay listings,

longtime knitter Kristen Rengren amassed hundreds of knitting pattern booklets from 1920 through 1960. Now a knitwear designer, Rengren brings us the result of her combined passions in Vintage Baby Knits, a charming collection of more than 40 contemporary updates of timeless baby patterns. Projects range from small, quick-to-knit items like hats, booties, and shrugs to larger, more challenging designs for sweaters, onesies, and dresses, including a lace christening gown. Beautiful photographs capture a bevy of adorable babies and toddlers wearing these knitted treasures. Also included are sidebars on baby fashion and knitting culture in this bygone era, and a complete reference section. Destined to be a classic itself, Vintage Baby Knits promises family heirlooms for 21st-century babies. John G. Paton, Missionary to the New Hebrides Leisure Arts Say "goodbye" to

Knitting instruction and relationship therapy all in one—with lots of laughs along the way. For as long as women have been knitting, they've been knitting garments for men—only to have men hide their lovingly created pieces in drawers and closets. Men aren't being intentionally cruel; they're just not comfortable in knitwear made with bright colors, itchy yarn, or flashy designs. So what's a knitter to do?

Understand the male psyche, says knitting instructor Bruce Weinstein. In *Knits Men Want* he presents ten hilarious essays, each based on a rule that helps women knit

for men successfully. "Men Are Babies" explains why guys need to wear soft fabrics. "Men Hate Fittings" describes how to create a sweater based on one that's in his wardrobe. Following each essay is a timeless master pattern, from socks, hats, and scarves to an array of sweaters, all in a range of sizes and most written for multiple gauges. With this book in hand, women finally have the secret to knitting garments that men will appreciate and actually wear.

Socks continue to be a favorite project of knitters, but "single sock syndrome" – losing interest in knitting that second sock after the first one is done – is the perpetual dilemma. *Knit 2 Socks in 1* introduces a distinctive new method that will appeal to sock knitters of all levels as the simplest, most accessible way yet developed to knit two socks at a time. This innovative technique begins with making the first sock's cuff. The knitter can then relax and knit a long tube, which makes up the main body of both socks. With the help of a lifeline (scrap yarn that is threaded through stitches to hold them in place), the knitter can easily separate the long tube into two socks. The heels and toes are worked with a simple two-row repeat and are finished with a "hat closure," a novice knitting technique often used to close the tops of hats. Much like choosing an alternate ending in a classic "Choose Your Own Adventure" book, the knitter can choose from 21 different sock styles, featuring a wide range of stitch patterns, design

elements, levels of difficulty, and sizes ranging from child to adult. Knit 2 Socks in 1 is a tried-and-true sock-knitting technique that allows knitters from all backgrounds to join in on the fun. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

William Sharp (1855-1905) conducted one of the most audacious literary deceptions of his or any time. Sharp was a Scottish poet, novelist, biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod. This was far more than just a pseudonym: he corresponded as Macleod, enlisting his sister to provide the handwriting and address, and for more than a decade "Fiona Macleod" duped not only the general public but such literary luminaries as

William Butler Yeats and, in America, E. C. Stedman. Sharp wrote "I feel another self within me now more than ever; it is as if I were possessed by a spirit who must speak out". This three-volume collection brings together Sharp's own correspondence - a fascinating trove in its own right, by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti, Walter Pater, and George Meredith - and the Fiona Macleod letters, which bring to life Sharp's intriguing "second self". With an introduction and detailed notes by William F. Halloran, this richly rewarding collection offers a wonderful insight into the literary landscape of the time, while also investigating a strange and underappreciated phenomenon of late-nineteenth-century English literature. It is essential for scholars of the period, and it is an illuminating read for anyone interested in authorship and identity.
