Moomin, Mymble and Little My Macmillan Children's Books

The enchanting comic strip that introduced adult readers to the wonderful world of Moomin Tove Jansson is revered around the world as one of the foremost children's authors of the twentieth century for her illustrated chapter books regarding the magical worlds of her creation, the Moomins. The Moomins saw life in many forms but debuted to its biggest audience ever on the pages of world's largest newspaper the *London Evening News*, in 1954. The strip was syndicated in newspapers around the world with millions of readers in 40 countries. *Moomin Book One* is the first volume of Drawn & Quarterly publishing plan to reprint the entire strip drawn by Jansson before she handed over the reigns to her brother Lars in 1960. This is the first time the strip will be published in any form in North America and will deservedly place Jansson among the international cartooning greats of the last century. The Moomins are a tight-knit family — hippo-shaped creatures with easygoing and adventurous outlooks. Jansson's art is pared down and precise, yet able to compose beautiful portraits of ambling creatures in fields of flowers or rock-strewn beaches that recall Jansson's Nordic roots. The comic strip reached out to adults with its gentle and droll sense of humor. Whimsical but with biting undertones, Jansson's observations of everyday life, including guests who overstay their welcome, modern art, movie stars, and high society, easily caught the attention of an international audience and still resonate today.

The Moomins and the Great Flood Macmillan Children's Books

Colour your way through the year with this stunning, diary edition of the bestselling Moomin Colouring Book. Perfect for recording your thoughts and activities, with inspiring quotes and moments of Moomin wisdom to guide you through even the bleakest months. A stylish and portable diary, featuring artwork from the coveted archive of Moomin creator, Tove Jansson.

The Moomins: The World of Moominvalley Macmillan Children's Books

Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format. With a maid to help around

the house, will the Moomins become respectable? A housekeeping and mother-craft expert named Mrs. Fillyjonk moves in next door to the Moomins. Seeing the state of the Moomin house, she takes action, shaming them into hiring a maid. When Misabel the maid arrives, it's immediately clear she needs a little cheering up, and since Mrs. Fillyjonk has mysteriously disappeared, the Moomins set about teaching Misabel how to enjoy herself. Life lessons and poignant reminders of the importance of simple pleasures abound in this classic tale from Tove Jansson.

The Moomin Colouring Diary Drawn & Quarterly

Fair Play is the type of love story that is rarely told, a revelatory depiction of contentment, hard-won and exhilarating. Mari is a writer and Jonna is an artist, and they live at opposite ends of a big apartment building, their studios connected by a long attic passageway. They have argued, worked, and laughed together for decades. Yet they've never really stopped taking each other by surprise. Fair Play shows us Mari and Jona's intertwined lives as they watch Fassbinder films and Westerns, critique each other's work, spend time on a solitary island (recognizable to readers of Jansson's *The Summer Book*), travel through the American Southwest, and turn life into nothing less than art.
