against Franciscan monks at a wealthy Italian abbey but finds his mission overshadowed by seven bizarre murders.

Walking Prey Simon and Schuster Edgar Award Finalist: The hunt for a vanished singer leads a detective into the depths of the occult in this “terrific” novel (Stephen King). Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre

never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny’s death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person’s case. Everyone he questions dies soon after, as Angel’s investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel’s dreams, the detective fears for his life, his sanity, and his soul. Falling Angel was the basis for the Alan Parker film *Angel Heart*, starring Mickey Rourke, Robert De

Niro, and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author’s personal collection.

Sex with the Queen LP Revell

An expert in Stuart England examines the sexual lives of Britons in the seventeenth and early eighteenth centuries in this frank, informative, and revealing history.

Acclaimed Stuart historian Andrea Zuvich explores the sexual mores of Stuart Britain, including surprising beliefs, bizarre practices, and ingenious solutions for infertility, impotence,

sexually transmitted diseases, and more. Along the way, she reveals much about the prevailing attitudes towards male and female sexual behavior. Zuvich sheds light not only on the saucy love lives of the Royal Stuarts, but also on the dark underbelly of the Stuart era with histories of prostitution, sexual violence, infanticide, and sexual deviance. She looks at everything from what was considered sexually attractive to the penalties for adultery, incest, and fornication. Sex and Sexuality in Stuart Britain touches on the fashion,

food, science, art, medicine, magic, literature, love, politics, faith and superstition of the day. Red Sparrow Prabhat Prakashan
A brilliant, hilarious homage to The Life-Changing Magic of Tidying Up, showing how to shed your mental clutter for good. Aimed at overachieving but dissatisfied people everywhere. Sarah's inspirational two-step "NotSorry" program shows how unleashing the power of not giving a fuck will help you shed unwanted guilt and obligations to redirect

time, energy, and enthusiasm to your true priorities. Sarah reveals why giving a fuck about what other people think is your worst enemy-and how to stop doing it; how to sort your fucks into four essential categories; simple criteria for whether or not you should give a fuck (i.e. "Does this affect anyone other than me?"); and the two keys to successfully not giving a fuck without also being an asshole. So, get rid of the mental clutter, ditch the perfectionism and create the life you want - for good.

The Sexy Librarian's Dirty 30, Volume 3 Prabhat Prakashan
The New York Times film critic shows why we need criticism now more than ever Few could explain, let alone seek out, a career in criticism. Yet what A.O. Scott shows in *Better Living Through Criticism* is that we are, in fact, all critics: because critical thinking informs almost every aspect of artistic creation, of civil action, of interpersonal life. With penetrating insight and warm humor, Scott shows that while individual critics--himself included--can make mistakes and find flaws where they shouldn't, criticism as a discipline is one of the noblest, most creative, and urgent activities of modern

existence. Using his own film criticism as a starting point--everything from his infamous dismissal of the international blockbuster *The Avengers* to his intense affection for Pixar's animated *Ratatouille*--Scott expands outward, easily guiding readers through the complexities of Rilke and Shelley, the origins of Chuck Berry and the Rolling Stones, the power of Marina Abramovich and 'Ode on a Grecian Urn.' Drawing on the long tradition of criticism from Aristotle to Susan Sontag, Scott shows that real criticism was and always will be the breath of fresh air that allows true creativity to thrive. "The time for criticism is always now," Scott explains,

"because the imperative to think clearly, to insist on the necessary balance of reason and passion, never goes away."

Twelve Years a Slave Springer Science & Business Media
Denis Cooverman wanted to say something really important in his high school graduation speech. So, in front of his 512 classmates and their 3,000 relatives, he announced: "I love you, Beth Cooper." It would have been such a sweet, romantic moment. Except that

Beth, the head cheerleader, has only the vaguest idea who Denis is. And Denis, the captain of the debate team, is so far out of her league he is barely even the same species. And then there's Kevin, Beth's remarkably large boyfriend, who's in town on furlough from the United States Army. Complications ensue. Forbidden Fruit Australian Academic Press
"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into

Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public.” -an excerpt

Boys & Sex Knopf Books for Young Readers

Darius doesn't think he'll ever be enough, in America or in Iran. Hilarious and heartbreaking, this unforgettable debut introduces a brilliant new voice in contemporary YA. Winner of the William C. Morris Debut Award “ Heartfelt, tender, and so utterly real. I ’ d live in this book forever if I could. ” —Becky Albertalli,

award-winning author of *Simon vs. the Homo Sapiens Agenda*. Darius Kellner speaks better Klingon than Farsi, and he knows more about Hobbit social cues than Persian ones. He ’ s a Fractional Persian—half, his mom ’ s side—and his first-ever trip to Iran is about to change his life. Darius has never really fit in at home, and he ’ s sure things are going to be the same in Iran. His clinical depression doesn ’ t exactly help matters, and trying to explain his medication to his grandparents only makes things harder. Then Darius meets Sohrab, the boy next door, and everything changes. Soon, they ’ re spending their days together, playing soccer, eating faludeh, and talking for

hours on a secret rooftop overlooking the city ’ s skyline. Sohrab calls him Darioush—the original Persian version of his name—and Darius has never felt more like himself than he does now that he ’ s Darioush to Sohrab. Adib Khorram ’ s brilliant debut is for anyone who ’ s ever felt not good enough—then met a friend who makes them feel so much better than okay. [sex, lies and videotape](#) Midnight Marquee Press, Incorporated A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on

behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has

long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It ' s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “ what if. ” Despite their fathers ' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be. Project Blue Book Simon and Schuster
An insightful memoir from a

figure skating champion about her life as a bisexual professional athlete, perfect for readers of *Fierce* by Aly Raisman and *Forward* by Abby Wambach. Karina Manta has had a busy few years: Not only did she capture the hearts of many with her fan-favorite performance at the U.S. Figure Skating Championships, she also became the first female figure skater on Team USA to come out as queer. Her *Modern Love* essay "I Can't Hate My Body if I Love Hers" was published in the *New York Times*, and then she joined the circus--Cirque du Soleil's on-ice

show, AXEL. Karina's memoir covers these experiences and much more. Attending a high school with 4,000 students, you'd expect to know more than two openly gay students, but Karina didn't meet an out-lesbian until she was nearly seventeen--let alone any other kind of queer woman. But this isn't just a story about her queerness. It's also a story about her struggle with body image in a sport that prizes delicate femininity. It's a story about panic attacks, and first crushes, and all the crushes that followed, and it's a story about growing up, feeling different

than everybody around her and then realizing that everyone else felt different too.

44 Chapters About 4 Men

Open Road Media

A new edition of the blockbuster book that revealed the top-secret findings of the US government about UFOs. Throughout the 1950s and 1960s, while publicly dismissing the existence of UFOs, the United States Air Force was engaged in a secret program for evaluating every report of unidentified flying objects.

Under the code name, Project Blue Book, the Air Force analyzed over 13,000 incidents. The goal of this enterprise was threefold: To determine the cause for each UFO sighting, to assess the security threat for each incident, and to determine how the United States could obtain or create the technology used by UFOs. This book, based on secret files obtained through the Freedom of Information Act, includes accounts of seven of the most important USAF enquiries-- among them the

story of the nights the White House was buzzed by UFOs, the mystery of the Lubbock Lights, the full story of Captain Mantell--Ufology's first martyr, and the startling conversion of the prominent astronomer, J. Alan Hynek from UFO skeptic to believer. This is startling and fascinating book that uncovers not only the anatomy of a government cover-up, but also provides stark and chilling evidence that we are not alone. It is all here, government documents, the testimony of

scientists, the military, pilots and citizens all over the country who have witnessed UFOS.

Lizard World Penguin Today, two cultural forces are converging to make America's youth easy targets for sex traffickers. Younger and younger girls are engaging in adult sexual attitudes and practices, and the pressure to conform means thousands have little self-worth and are vulnerable to exploitation. At the same time, thanks to social media, texting, and chatting

services, predators are able to ferret out their victims more easily than ever before. In *Walking Prey*, advocate and former victim Holly Austin Smith shows how middle class suburban communities are fast becoming the new epicenter of sex trafficking in America. Smith speaks from experience: Without consistent positive guidance or engagement, Holly was ripe for exploitation at age fourteen. A chance encounter with an older man led her to run away from home, and she soon found herself on the

streets of Atlantic City. Her experience led her, two decades later, to become one of the foremost advocates for trafficking victims. Smith argues that these young women should be treated as victims by law enforcement, but that too often the criminal justice system lacks the resources and training to prevent the vicious cycle of prostitution. This is a clarion call to take a sharp look at one of the most striking human rights abuses, and one that is going on in our own backyard.

produced on the fringes of Hollywood and often dealt with subjects forbidden by the Production Code.

[Love, Theodosia](#) Samuel French, Inc.

Dynamic secrets are constantly generated and updated from messages exchanged between two communication users.

When dynamic secrets are used as a complement to existing secure communication systems, a stolen key or password can be quickly and automatically reverted to its secret status without disrupting communication. "Dynamic Secrets in Communication Security" presents unique

security properties and application studies for this technology. Password theft and key theft no longer pose serious security threats when parties frequently use dynamic secrets. This book also illustrates that a dynamic secret based security scheme guarantees impersonation attacks are detected even if an adversary steals a user ' s password or their key is lost. Practitioners and researchers working in network security or wireless communications will find this book a must-have reference. "Dynamic Secrets in Communication Security" is

also a valuable secondary text for advanced-level students in computer science and electrical engineering.

Sex and the Constitution: Sex, Religion, and Law from America's Origins to the Twenty-First Century

HarperCollins

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal

becomes an ongoing issue it can negatively impact the child ' s social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is

and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

The Life and Times of Bruce Lee

Liveright Publishing
NEW YORK TIMES
BESTSELLER Now in paperback—Peggy Orenstein, author of the groundbreaking New York Times bestseller *Girls & Sex*, turns her focus to the sexual lives of young men. “Eye-opening.... Every few pages, the boy world cracks open a little bit.... Even in the most anxiety-provoking moments of *Boys & Sex*, it’s clear that Orenstein believes in the goodness of boys and the men they can become, and she believes in us, as parents, to raise them” (New York Times Book Review). Peggy Orenstein’s *Girls & Sex* broke ground, shattered taboos, and launched conversations about

young women’s right to pleasure and agency in sexual encounters. It also had an unexpected effect on its author: Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and emotional relationships. In *Boys & Sex*, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy. Drawing on comprehensive interviews with

young men, psychologists, academics, and experts in the field, *Boys & Sex* dissects so-called locker room talk; how the word “ hilarious ” robs boys of empathy; pornography as the new sex education; boys ’ understanding of hookup culture and consent; and their experience as both victims and perpetrators of sexual violence. By surfacing young men ’ s experience in all its complexity, Orenstein is able to unravel the hidden truths, hard lessons, and important realities of young male sexuality in today ’ s world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.
