Balboa Press

Presents ten critical essays published between 1973 and

2001 on Jack Kerouac's "On the Road," and includes a chronology, a bibliography, and an introduction by Harold Bloom. *Practical Houseplant Book* DK Publishing (Dorling Kindersley) A New York Times Notable Book of 2020 "'Saint X' is hypnotic. Schaitkin's characters...are so intelligent and distinctive it feels not just easy, but necessary, to follow them. I devoured [it] in a day." –Oyinkan Braithwaite, New York Times Book Review When you

lose the person who is most essential to you, who do you become? Recommended by Entertainment Weekly, included in Good Morning America's 20 Books We're Excited for in 2020 & named as one of Vogue's Best Books to Read This Winter, Bustle's Most Anticipated Books of February 2020, and O Magazine's 14 of the Best Books to Read This February! Hailed as a "marvel of a book" and "brilliant and unflinching,"

Alexis Schaitkin's stunning debut, *Saint X*, is a haunting portrait of grief, obsession, and the bond between two sisters never truly given the chance to know one another. Claire is only seven years old when her college-age sister, Alison, disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison's body is found in a remote spot on a nearby cay, and two local men—employees at the resort—are arrested. But the

evidence is slim, the timeline against it, and the men are soon released. The story turns into national tabloid news, a lurid mystery that will go unsolved. For Claire and her parents, there is only the return home to broken lives. Years later, Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson, one of the men originally suspected of murdering her sister. It is a moment that sets Claire on an

obsessive pursuit of the truth—not only to find out what happened the night of Alison’s death but also to answer the elusive question: Who exactly was her sister? At seven, Claire had been barely old enough to know her: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will reveal the truth, an unlikely attachment

develops between them, two people whose lives were forever marked by the same tragedy. For readers of Emma Cline’s *The Girls* and Lauren Groff’s *Fates and Furies*, *Saint X* is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending. *Cancer Is Not a Disease - It's a Survival Mechanism* Phaidon Press Het creatieve kamerplantenboek Plant Tribe Abrams [Rhs How to Grow Practically](#) [Everything Ener-Chi](#) Wellness Center Distinguished American professor Sheila Miyoshi Jager

interweaves international events and previously unknown personal accounts to give a brilliant new history of the war, its aftermath and its global impact told from American, Korean, Soviet and Chinese sides. This is the first account to examine not only the military, but the social and political aspects of the war across the whole region - and it takes the story up to the present day. Drawing on newly accessible diplomatic archives and reports from South Korea's Truth and Reconciliation Commission, Jager not only analyses top-level military strategy but also depicts on-the-ground atrocities committed by both side that have never

been revealed. The most accessible, up-to-date and balanced account yet written, rich with maps and illustrations, *Brothers at War* is the thrilling and highly original debut of a historian comparable to Max Hastings or Antony Beevor. It will become the definitive chronicle of the struggle's origins, aftermath, and global impact.

Bonsai Frances Lincoln

Beth Chatto was the inspiration behind the "right plant, right place" ethos that lies at the heart of modern gardening. She also wrote some of the best-loved gardening books of the 20th century, among them *The*

Dry Garden, *The Damp Garden*, and *Beth Chatto's Gravel Garden*. Some years before her death in May 2018, aged 94, Beth authorized Catherine Horwood to write her biography, with exclusive access to her archive. It also includes extracts from Beth's notebooks and diaries, never previously published, bringing Beth's own distinctive and much-loved voice into the book. Most of the photographs from Beth's personal archives, have also never been seen in print before. For Beth's legions of fans, here is the personal story

behind her beliefs and the struggles and determination that brought her success. *Belgische bibliografie* Bloomsbury Publishing USA The bestselling authors of *Urban Jungle* delve into the many ways that nurturing plants helps nurture the soul This new book by the authors of the bestselling *Urban Jungle* addresses the life-changing magic of living with and caring for plants. Aimed at a wider audience than typical houseplant books, each chapter combines easily digestible plant knowledge, style

guidance via real home interiors, and inspiring advice for using plants to increase energy, creativity, and well-being and to attract love and prosperity. Also included: real-world @urbanjungleblog followers' FAQs; a section on plants and pets; and plant care for the different stages of a houseplant's life. The focus is on using plants to raise the positive energy of every room in the house and to live happily ever after with plants. Brinkman's cumulatieve catalogus van boeken, en verder in den boekhandel voorkomende

Laurence King Publishing
Piet Oudolf's gardens excite the senses and stir the emotions. Representing a giant step forward from the conventional colour-themed border, this new approach to gardening gives just as much emphasis to form, texture, light and movement as it does to colour. Individual plants are used as harmonious elements in luxuriant and atmospheric plantings. Written in collaboration with Noël Kingsbury, *Designing with Plants* is an informative and visually breathtaking study of Piet Oudolf's planting theory and practice, and it provides all the advice necessary to create the same effects in your own

garden. Beginning with the building blocks of planting design, a visual sourcebook of *Planting Palettes* illustrates some of the huge choice available in terms of form, texture and colour. The following chapter explains, with the use of planting plans and diagrams, how to combine these basic elements to create stunning and sculptural planting schemes. Theory is put into practice in *Planting Moods* in which stunning photography demonstrates how to create a particular feeling or atmosphere, and *Year-Round Planting* emphasizes the importance of choosing plants to give value throughout the seasons so that they contribute to the garden in death as

well as in life. Rounding off with a detailed directory of key plants, *Designing with Plants* is destined to become an inspiration to all gardeners who wish to create, in Piet's words, 'an impression and an expression of nature'. *Your Invitation to a Modest Breakfast* Timber Press
Twelve inspiring projects, plus 200 in-depth plant profiles with detailed useful information and care instructions to help you cultivate and care for your houseplants. Learn how to choose which plants to use where, care for your houseplants to keep them healthy, and use plants to best effect in your home, with trusted advice,

creative inspiration, strong visual aesthetic, and practical step-by-step detail. Two hundred plant profiles provide information and care instructions for a wide variety of plants, including ferns, orchids, and succulents, while a dozen step-by-step photographic projects offer exciting ideas for using plants to decorate your home or greenhouse—from eye-catching terrariums to a living succulent wall to a floating kokedama "string garden." With information on plant care, propagation, pests and diseases, pruning, and

problem-solving, *The Practical Houseplant Book* is the essential guide for indoor gardeners. *Boekblad* Scholastic Canada - Photographer Jan Verlinde and writer Thijs Demeulemeester invite you to discover 20 inspiring homes filled with interesting and unique objects collected by passionate travelers. For the passionate traveler, a design book that features 20 gorgeous interiors that incorporate objects collected from around the world, bringing a touch of exotic and far away places into the home. The authors showcase unique objects - a Vespa, a tiki bar, a

surf board, an African mask - that embody memorable and meaningful travels, and represent the nomadic spirit of the traveler in daily life. They reveal how these elements can be creatively and beautifully displayed, giving the sense of traveling at home without leaving home. Text in English, French and Dutch. [Planting the Natural Garden](#) Abrams The Royal Horticultural Society's definitive guide to propagating, nurturing, and designing with more than 200 cacti and succulents.
