It is imperative that we train leaders who are able to intervene efficiently with service users and to support a better organization of the workplace. It is especially important to look at the many issues related to postsecondary training and human resources,

such as recruiting and keeping these leading professionals.

Accessibility and Active Offer thus combines theory and empirical data to help future professionals understand the workplace issues of accessibility and active offer of minority-language services. This English-language adaptation of Accessibilit é et offre active features an additional chapter by Richard Bourhis on issues specific to Anglophone communities in Qu é bec. This multidisciplinary collective work is the first to unite researchers in health, social work, sociology, political science, public administration, law and education, in order to gain more thorough knowledge of linguistic issues in health and social services, as well as of active offer of French-language services.

Le vocabulaire progressif du français des affaires s'adresse à des étudiants ou à des professionnels de niveaux intermédiaire ou avancé désireux d'apprendre le français dans un objectif professionnel. Conçu pour être utilisé comme complément de méthode ou comme guide pour un auto-apprentissage, il comprend : - sur la page de gauche, une leçon de vocabulaire : les mots sont mis en contexte dans des phrases, des histoires, des dialogues, des témoignages d'hommes et de femmes d'affaires ; - sur la page de droite, des exercices d'application et des activités de communication. L'ouvrage contient 70 leçons. Chaque leçon traite un thème différent sur deux pages. Les 15 premières leçons portent sur le vocabulaire lié à des savoir-faire professionnels communs à tous les domaines des affaires, tels que : assister à une réunion, parler en public, négocier, téléphoner, etc. Les 55 leçons suivantes parcourent le monde des affaires. Elles couvrent des domaines aussi variés, que la culture d'entreprise, les ressources humaines, l'éthique dans les affaires, la production, le marketing, la comptabilité, la finance, etc. Au fil de l'ouvrage, les sujets deviennent progressivement plus complexes et plus

spécialisés.
