Husbandry Manuals - Australasian Zoo Keeping
Husbandry Manuals Husbandry Manuals provide a wealth of best-practice information based on the collective experience of AZA facilities. The following taxon-specific documents are a valuable resource in the husbandry and care of ungulates.
Animal Care Manuals | Association of Zoos & Aquariums
Despite this, the scientific rigour of zebrafish husbandry techniques is poorly developed. While there is a considerable body of literature on zebrafish that has both direct and indirect relevance to their husbandry, this information is from disparate sources, and little of it has been applied to developing standard protocols.
The husbandry of zebrafish (Danio rerio): A review ...
Training falls broadly into two categories namely for ' Husbandry Purposes ' and for ' Public Animal Handling Presentations & Shows ' 1.11.1 Animal training for husbandry purposes Training as part of some husbandry routines can be helpful in reducing stress and to facilitate
Zebra Husbandry Manual
For example, some studies investigate whether aspects of animal husbandry could be improved e.g. through diet or veterinary care. Other topics include the effect of visitors on animals and vice versa, evaluation of the effectiveness of education tools and visitor

awareness of native species. Eleanor Richards . There are significant legal considerations that must be taken into account when ...

EAZA Standards for the Accommodation and Care of Animals ...

Standardisation protocols providing ranges of husbandry parameters are likely to be more successful and appropriate than the implementation of a set of fixed guidance values neglecting the empirically successful daily routines of many facilities and will better reflect the wide range of environmental parameters that characterise the natural habitats occupied by zebrafish.

Husbandry Manuals . This

Husbandry Manual Register is in two parts; 1. The first section is an index of Mammal Taxonomic Orders. Click on the Taxonomic link to be taken to the relevant section within the second section of the Registry. Please note that Husbandry Manuals are not currently available for all groups or species. 2. The second section provides the contact details ...

Mammal Husbandry Manuals - Australasian Zoo Keeping

A good-quality grass hay is satisfactory for most grazers or bulk feeders (eg, zebra, elephant, bison, buffalo, wildebeest, camel). Legume hays are higher in nitrogen and calcium and, if of good quality, are more digestible than grass hays. Hay should be leafy and green, free of mold, dirt, excess weeds, and other foreign matter, and should not be overmature. Several zoos are test-feeding hay ...
