We Should Hang Out Sometime Knopf Books for Young Readers
A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*
Venus on the Half-Shell Simon and Schuster

An ordinary young atheist finds out that he is a God among men and is forced to find his stand in a battle between faith and science, belief and doubt, good and evil, light and dark, thunder and water, heart and the mind. Rules are broken, tears are shed, faith is tested, sacrifices are made, lives are lost and Gods are killed in the quest for a divine weapon by a doctor for his son ... a son for his father ... a priest for his religion ... a

woman for her love ... a man for this world and ... a forgotten God for his revenge.

Lucy always loved summers on Halcyon Lake--sunning on the lake raft, relaxing on the boat, and spending every possible minute with her best friend, Trixie, and Trixie's brother, Ben, Lucy's lifelong crush. Until last summer, when one tragic event turned their idyllic world upside down. Now, nothing is the same. This summer, Trixie is gone, and Ben is distant, numbing his pain with parties and a string of interchangeable girlfriends. Lucy does her best to move on and avoid this cold new Ben. She throws herself into babysitting, waitressing, and a sweet new romance with the renter next door. But in their small lake town, forgetting the past--and Ben--proves impossible. He still seems to be everywhere: at work, at the movies . . . and in Lucy's heart. Lucy so wants to move on, but how can she forgive when she can't forget? The Last Thing You Said is a deeply felt and romantic novel about listening to your heart and finding your path, whether that path leads to romance, healing, or your best self. "A heartwarming story about the indelible marks left by first love and first loss. This book will give you all the feels." --Julix Buxbaum, author of Tell Me Three Things, a New York Times bestseller "A beautiful, gut-wrenching story about the complexities of grief and the saving grace of family, friendship, and love. Brave, raw, and exquisitely written." --Marci Lyn Curtis, author of The One Thing "A beautiful look at the enduring power of first love." --S.M. Parker, author of The Girl Who Fell

Ana nacio en Oviedo. Espana. hace mas anos de los que le gustaria. pero menos de los que piensa la gente. Paso su infancia y gran parte de su juventud en Madrid. En 1989 se fue a vivir a Nueva York donde se caso, tuvo tres hijos (que de alguna manera que ella no acaba de comprender se hicieron adolescentes). y empezo su carrera como autora, editora y traductora de de libros. En las pocas ocasiones en las que no esta delante de su ordenador escribiendo, contestando e-mails, hablando o descargando fotos, se dedica a jugar y entrenar a un labrador para que se convierta un dia en un gran perro-guia de ciegos. "In many ways," Robert J.C. Young writes, "colonization from the very first carried with it the seeds of its own destruction." Imperial Affliction examines some ways in which Young's observation could be applied to problems of subjectivity and influence within the colonizing nations themselves, particularly eighteenth-century Britain. How might these "seeds of destruction" manifest themselves as problems of identity? How might the very selves with greatest access to self-affirmation---the idea of the empire, the idea of British citizenry, the idea of the British self---actually find themselves vulnerable, confused, or damaged? Using multiple forms of postcolonial critique, this book turns back to salient eighteenth-century British lives and work for a different kind of enlightenment. Among its central subjects are the elusive subjectivity of William Collins; the exilic religious experience of William Cowper and its multiple readings in the twentieth century by a self-fashioned exilic, Donald Davie; the "missed encounter" between Christopher Smart and Samuel Johnson, and the ways in which that problem was re-inscribed in the work of W. Jackson Bate and Lionel Trilling; the problem of imperial fixity in James Cook's journals with a view to Gray's "Elegy" and Gold-smith's "Deserted Village"; and the problem of purity as a paradoxically privileged and exilic force in the work of John Newton and Christopher Smart. In these explorations, this book illustrates both an expanded view of eighteenth-century colonial liabilities and a new emphasis on postcolonial critique as a means of exploring the fissures always present in imperial ambition.

Five Go Off in a Caravan Penguin

Whitley Johnson's dream summer with her divorce dad has turned into a nightmare. She's just met his new fiancée and her kids. The fiancée's son? Whitley's one-night stand from graduation night. Just freakin' great. Worse, she totally doesn't fit in with her dad's perfect new country-club family. So Whitley acts out. She parties. Hard. So hard she doesn't even notice the good things right under her nose: a sweet little future stepsister who is just about the only person she's ever liked, a best friend (even though Whitley swears she doesn't "do" friends), and a smoking-hot guy who isn't her stepbrother...at least, not yet. It will take all three of them to help Whitley get through her anger and begin to put the pieces of her family together. Filled with authenticity and raw emotion, Whitley is Kody Keplinger's most compelling character to date: a cynical Holden Caulfield-esque girl you will wholly care about.

A New York Times bestseller! John Sandford and Michele Cook debut a high-octane thriller series about a ruthless corporation, unspeakable experiments, and a fight to expose the truth. Perfect for fans of James Dashner's The Maze Runner. Shay Remby arrives in Hollywood with \$58 and a handmade knife, searching for her brother, Odin. Odin ’ s a brilliant hacker but a bit of a loose cannon. He and a group of radical animal-rights activists hit a Singular Corp. research lab in Eugene, Oregon. The raid was a disaster, but Odin escaped with a set of highly encrypted flash drives and a post-surgical dog. When Shay gets a frantic 3 a.m. phone call from Odin—talking about evidence of unspeakable experiments, and a ruthless corporation, and how he must hide—she ’ s concerned. When she gets a menacing visit from Singular ’ s security team, she knows: her brother ’ s a dead man walking. What Singular doesn ’ t know—yet—is that 16-year-old Shay is every bit as ruthless as their security force, and she will burn Singular to the ground, if that ’ s what it takes to save her brother.

Club Quentin Coldwater is brilliant but miserable. A high school math genius, he ’ s secretly fascinated with a series of children ’ s fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book The Magician King and the #1 bestseller The Magician's Land, The Magicians is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

The Fault in Our Stars Simon and Schuster

The heartbreaking story of five generations of young people from a single African-and-American family pursuing an elusive dream of freedom. "Gut wrenching and incredible. " — Sabaa Tahir #1 New York Times bestselling author of An Ember in the Ashes "This novel is a remarkable achievement."—Kelly Barnhill, New York Times bestselling author and Newbery medalist "Beautifully epic."—Ibi Zoboi, author American Street and National Book Award finalist Dream Country begins in suburban Minneapolis at the moment when seventeen-year-old Kollie Flomo begins to crack under the strain of his life as a Liberian refugee. He's exhausted by being at once too black and not black enough for his African American peers and worn down by the expectations of his own Liberian family and community. When his frustration finally spills into violence and his parents send him back to Monrovia to reform school, the story shifts. Like Kollie, readers travel back to Liberia, but also back in time, to the early twentieth century and the point of view of Togar Somah, an eighteen-year-old indigenous Liberian on the run from government militias that would force him to work the plantations of the Congo people, descendants of the African American slaves who colonized Liberia almost a century earlier. When Togar's section draws to a shocking close, the novel jumps again, back to America in 1827, to the children of Yasmine Wright, who leave a Virginia plantation with their mother for Liberia, where they're promised freedom and a chance at self-determination by the American Colonization

Society. The Wrights begin their section by fleeing the whip and by its close, they are then the ones who wield it. With each new section, the novel uncovers fresh hope and resonating heartbreak, all based on historical fact. In *Dream Country*, Shannon Gibney spins a riveting tale of the nightmarish spiral of death and exile connecting America and Africa, and of how one determined young dreamer tries to break free and gain control of her destiny.
