Over the last six seasons of *The Biggest Loser*, you've watched as contestants shed pounds, got healthy, and dramatically changed their lives for the better. In fact, you may have been so inspired by the show's remarkable success stories that you've considered embarking on your own weight loss journey. If you're looking to get healthy now, there's good news: You don't have to spend time at the ranch to benefit from *The Biggest Loser* magic. *The Biggest Loser 30-Day Jump Start* brings all of the secrets of the ranch right into your own home. The *Biggest Loser* experts—the same ones who advise the contestants—are here to walk you through a 30-day plan that will kick off your weight loss and help you build new, healthy habits. In this book you'll find easy-to-follow menus, recipes, exercise plans, and motivation for each day of the week. You'll also find helpful tips and advice from past *Biggest Losers* who have been in your shoes, including the nine contestants from Season 7 who left the ranch early to follow this very plan at home. So far, the *Biggest Losers* have lost more than a combined 10,000 pounds. But for each of them, the journey started with a commitment: to health, to weight loss, and to themselves. The first steps toward a healthier future are in this book—what are you waiting for? Make the commitment, take the leap—and begin your 30 day jump start today!

*Weight Loss Boss* is a frank, funny, and groundbreaking guide to surviving and thriving in an obesogenic world, from the CEO of Weight Watchers International. We live in a dangerous food world, full of temptation and instant gratification. No wonder obesity among Americans has tripled since the 1960s—and that those prone to weight gain fail over and over to maintain their hard-won goals. Simply put, our brains and environments are stacked against us. Simplistic willpower-based and food-focused diets will never bring lasting change. But a solution is within reach—one that will help readers live better, longer, and more happily. In fact, David Kirchoff isn't just the President and CEO of Weight Watchers—he's also one of its biggest success stories. In his pursuit of a trim physique, Kirchoff divulges his slide into full-fledged obesity, his struggles to manage his relationship with food, and to find an exercise regimen that sticks. Drawing on the latest scientific research and numerous other inspiring personal stories, he makes the case that the only recipe for long-term success is to radically shift our mindset when thinking about obesity and adopting a healthy lifestyle that stays with us for good. This requires incorporating positive habits that become second nature, and rigorously managing one's food environment—as well as embracing practical behavior-change tools and other sustainable maintenance strategies. In the light of a new, healthier lifestyle that helps readers look good and feel good, change isn't a burden--it's a release.

For all who love the magical flavors of good Indian cooking and want to reproduce effortlessly some of the delectable dishes from that part of the world, here is a groundbreaking cookbook from the multi-James Beard Award-winning author who is revered as the "queen of Indian cooking" (Saveur). By deconstructing age-old techniques and reducing the number of steps in a recipe, as well as helping us to understand the nature of each spice and seasoning, she enables us to make Indian dishes part of our everyday cooking. • First, she tantalizes us with bite-size delights to snack on with drinks or tea. • A silky soup is mellowed with coconut milk; a spinach-and-ginger soup is perfumed with cloves. • Fish and seafood are transformed by simple rubs and sauces and new ways of cooking. • A lover of eggs and chicken dishes, Jaffrey offers fresh and easy ways to cook them, including her favorite masala omelet and simple poached eggs over vegetables. There's chicken from western Goa cooked in garlic, onion, and a splash of vinegar; from Bombay, it's with apricots; from Delhi, it's stewed with spinach and cardamom; from eastern India, it has yogurt and cinnamon; and from the south, mustard, curry leaves, and coconut. • There is a wide range of dishes for lamb, pork, and beef with important tips on what cuts to use for curries, kebabs, and braises. • There are vegetable dishes, in a tempting array—from everyday carrots and greens in new dress to intriguing ways with eggplant and okra—served center stage for vegetarians or as accompaniments. • At the heart of so many Indian meals are the dals, rice, and grains, as well as the little salads, chutneys, and pickles that add sparkle, and Jaffrey opens up a new world of these simple pleasures. Throughout, Madhur Jaffrey's knowledge of and love of these foods is contagious. Here are the dishes she grew up on in India and then shared with her own family and friends in America. And now that she has made them so accessible to us, we can incorporate them confidently into our own kitchen, and enjoy the spice and variety and health-giving properties of this delectable cuisine.
