A simple, imaginative story

depicting the complex emotional reality of a girl whose father no longer lives at home. The girl conjures up an imaginary companion – a lion – who will join her on the long walk home from school. He will help her to pick up her baby brother from daycare and shop at the store (which has cut off the family's credit), and he'll keep her company all along the way until she is safely home. He will always come back when she needs him, unlike her father whom she sees only in a photograph – a photograph in which he clearly resembles a lion.

Obra completa. Latino America se ha transformado en un imperio siguiendo el sueño bolivariano. Una guerra civil ha dejado secuelas en el

comportamiento de sus habitantes, las mismas que han existido en las sociedades del pasado, las que insisten en repetirse por las ideas diversas y siempre presentes en el hombre. Arianno, el protagonista de esta novela, esta acabado y viejo, va narrando los estandares que vive de joven en esa sociedad acercandose a la mitologia, politica, filosofia, literatura, historia y arte. A la vez, muestra un apego emocional por un amor que lo obsesiono de joven y que divinizo mientras lo vivio, manifestado entre temores y acciones perversas de un erotismo agobiante y descontrolado, lleno de situaciones macabras, racionios creativos, especulativos como ridiculos, inmersos en prejuicios y parafilias que lo alejaban de la calma, para finalmente entender que debe asumir un cambio de actitud y proyectarse a ser un artista en este pueblo como razon de su existencia.

A sumptuous feast of a book, Frida allows the reader to enter this revered artist's world, both literally and metaphorically. Through a series of consecutive die-cut pages, one is drawn in - passing through aspects of her life, art and creative process while exploring the themes that inspired her most, such as love, death and maternity. Excerpts from Frida Kahlo's personal diaries alternate with Sebastian Perez's poetic musings to give fresh insight and emotional depth, while Benjamin Lacombe's stunning artwork masterfully conveys the symbolism and surrealism of her art.

How I Wrote the Raven

Un desconocido panorama literario surge del estudio de *Madame Bovary* y *Les fleurs du mal*, de Flaubert y del mercado editorial decimonónico, agitado en la década de 1880 por la irrupción de un grupo de novelistas que pretendieron renovar y abrir el campo del arte a las novedades científicas que conmocionaron a la sociedad europea del siglo XIX. Eduardo López Bago abandera el proyecto del naturalismo radical, que en su intento de aclimatar la escuela zolesca deriva en una fórmula literaria propia -- la novela médico-social -- que deja sentir su influencia sobre un grupo de escritores, entre los que destacan A. Sawa, J. Zahonero, E. Sánchez Seña, R. Vega Armentero o E.A. Flores. Los naturalistas radicales obtienen el beneficio de la polémica; el escándalo suscitado por la aparición de sus obras -- que convierten la cuestión sexual en foco de interés absoluto -- y el entronque de su técnica literaria con la novela popular les depararon un éxito sin precedentes. Los procesos judiciales sufridos por E. López Bago evocan otros célebres juicios para valorar la moralidad de obras como

Baudelaire, y logran para sus obras una inusitada venta de ejemplares. El naturalismo radical asienta los pilares de la futura novela erótica española.
