Iridology historically . Iridology is not new. The first recorded sources of iris analysis reach back as far as ancient Babylon. An ophthalmologist, in 1813, unaware of these old views on iris analysis, wrote in his publication 'Textbook of Eye Disease', "Everything that affects the organism of an individual cannot remain without effect on the eye and vice versa."

Integrated Iridology Textbook By Toni

Toni is Australia's most experienced Iridology teacher, researcher and lecturer and the author of the award winning Integrated Iridology textbook. She has been teaching Iridology since 1984. It is rare to find a teacher who can both explain Iridology and answer your questions based on the wisdom that only comes from four decades of clinical experience and over three decades of ongoing research.
