But as they begin their senior year in France, Isla and Josh are quickly forced to confront the heartbreaking reality that happily-ever-afters aren't always forever. Their romantic journey is skillfully intertwined with those of beloved couples Anna and Étienne and Lola and Cricket, whose paths are destined to collide in a sweeping finale certain to please fans old and new. Whale Talk Houghton Mifflin Harcourt

In this bestselling modern classic, a young boy ’ s lost mitten leads to a charming snowy adventure. Jan Brett ’ s beautiful retelling makes a perfect holiday gift. When Nicki drops his white mitten in the snow, he goes on without realizing that it is missing. One by one, woodland animals find it and crawl in; first, a curious mole, then a rabbit, a badger and others, each one larger than the last. Finally, a big brown bear is followed in by a tiny brown mouse and what happens next makes for a wonderfully funny climax. As the story of the animals in the mitten unfolds, the reader can see Nicki in the borders of each page, walking through the woods unaware of what is going on. In her distinctive style, Jan Brett brings the animals to life with warmth and humor, and her illustrations are full of visual

delights and details faithful to the Ukrainian tradition from which the story comes. Jan Brett is also the creator of such wintery classics as *The Hat*, *The Snowy Nap*, *Three Snowy Bears*, *The Animal's Santa*, and *The Night Before Christmas*. This book is also available in Spanish, as *El mit ó n*.

Easy-to-apply, scientifically-based approaches for engaging students in the classroom. Cognitive scientist Dan Willingham focuses his acclaimed research on the biological and cognitive basis of learning. His book will help teachers improve their practice by explaining how they and

their students think and learn. It reveals the importance of story, emotion, memory, context, and routine in building knowledge and creating lasting learning

experiences. Nine, easy-to-understand principles with clear applications for the classroom. Includes surprising findings, such as that intelligence is malleable, and that you cannot develop "thinking skills" without facts. How an understanding of the brain's workings can help teachers hone their teaching skills. "Mr. Willingham's answers apply just as well outside the classroom. Corporate trainers, marketers and, not least, parents - anyone who cares about how we learn - should find his book valuable reading." —Wall Street Journal

Where is the Green Sheep?
Tor Books

A pulse-pounding thrill ride, where a teen girl must participate in a breathtaking race to save her brother's life--and her own. Time is slipping away. . . . Tella Holloway is losing it. Her brother is sick, and when a dozen doctors can't determine what's wrong, her parents decide to move to the middle of nowhere for the fresh air. She's lost her friends, her parents are driving her crazy, her brother is dying--and she's helpless to change anything. Until she receives mysterious instructions on how to become a Contender in the *Brimstone Bleed*. It's an epic race across jungle, desert, ocean, and mountain that could win her the prize she desperately desires: the Cure for her brother's illness. But all the Contenders are after the Cure for people they love, and there's no guarantee that Tella (or any of them) will survive the race. The jungle is terrifying, the clock is ticking, and Tella knows she can't trust the allies she makes. And one big question emerges: Why have so many fallen sick in the first place? Victoria Scott's breathtaking novel grabs readers by the throat and doesn't let go.

The Time Traveler's Wife

and Life After Life, The Invisible Life of Addie LaRue is New York Times bestselling author V. E. Schwab's genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. Also by V. E.
