A USA Today and Wall Street Journal bestseller! Learn how to fight better and end your arguments with your partner feeling closer, more loved, and better understood. We take our cars in for oil changes. We mow our lawns and pull weeds. Why don't we do maintenance on our marriages? This relationship is the most important one we will ever have, so why not get better at it? For the last several years, Penn and Kim Holderness of The Holderness Family have done the hard maintenance and the research to learn how to fight better. With the help of their marriage coach Dr. Christopher Edmonston, they break down their biggest (and in some cases, funniest) fights. How did a question about chicken wings turn into a bra fight (no, not a bar fight or a bra fight)? How did a roll of toilet paper lead to tears, resentment, and a stint

in the guest bedroom? With their trademark sense of humor and complete vulnerability, Penn and Kim share their 10 most common Fight Fails and how to combat them. In *Everybody Fights*, couples will learn how to: Use "magic words" for healthy conflict resolution Address unspoken and unrealistic expectations Banish the three Ds of unhealthy communication—distraction, denial, and delay Carry individual baggage while helping your partner deal with theirs Penn and Kim want you to know you're not alone. *Everybody fights. Do your relationships tend to follow the same destructive pattern? Do you feel trapped by your family's expectations of you? Does your life seem overwhelmingly governed by jealousy or competitiveness or lack of confidence? In this ground-breaking book, clinical psychologist Oliver

James shows that it is the way we were cared for in the first six years of life that has a crucial effect on who we are and how we behave. Nurture, in effect, shapes our very nature. James combines the latest scientific research with fascinating interviews to show that understanding your past is the first step to controlling your present. *Kiplinger's Practical Guide to Your Money* Saunders

The bestselling authors of *Energy Medicine and Energy Medicine for Women* present a complete program for using energy medicine to heal and strengthen romantic relationships. A relationship begins with the meeting of two unique energies. This union of energies, though invisible, determines the way you communicate, fight, love, and want to be loved. In this groundbreaking book, the bestselling authors of *Energy Medicine* draw on the real-life experiences of couples who have attended their popular "Energies of Love" workshops, as well as their own experience as husband and wife, to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond. We all have different ways of making sense of the world around us, but when faced with conflict, especially with those we care most about, we tend to revert to one of four "Energetic Stress Styles": - Visuals are extremely passionate and inspire others to care about the things they care about, but in moments of conflict, their take on the situation can overshadow what is actually occurring, undermining their ability to empathize with their partner. - Kinesthetics are generous, compassionate, and accepting of other people, but their caring nature pulls them in too many directions. They try to meet others' needs at the expense of their own, which can cause mounting resentment. - Digitals are rational and principled and have a gift for quickly understanding complex situations, but they can become closed to others' perspectives and feelings. - Tonals have a gift for understanding others and their dilemmas, but during moments of conflict, their ability to read between the lines can morph

into hearing what was never said, felt, or thought. According to the authors, the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey. By helping you better understand your own unique energy system, as well as that of your partner, you will be able to recognize your strengths as a couple— and avoid the pitfalls.

The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting. *What is Design for Six Sigma* McGraw Hill Professional
