Princess Diana Memoir John Blake

This book intervenes in debates over the significance of Diana, Princess of Wales by offering a critical account of her media iconicity from 1981 to the present. It outlines the historical development of representations of Diana, analysing the ways in which the Princess has been understood via discourses of gender, sexuality, race, economic class, the royal, national identity, and the human. The book then goes on to assess the issues at stake in debates over the 'meaning' of Diana, such as the gender politics of cultural icon-making and deconstruction, and conflicting notions of cultural value.

Diana Random House (NY)

In the ten years since Princess Diana's shocking and tragic death in 1997, her hold on the world's imagination has only increased. For *The People's Princess*, Larry King asked many people who knew Diana, some officially and some more personally, for their favorite memories. Sir Richard Branson recalls Diana sitting in the cockpit of one of his private planes with baby Prince William on her lap; as they flew past Windsor Castle she announced, "On our right you have Grandma's house!" Heather Mills, who, like Diana, has been a tireless campaigner for charitable causes, recalls Diana's work to eradicate the scourge of land mines, as well as the time she was photographed shaking hands with an AIDS patient in a London hospital, doing so much to counteract the stigma associated with the disease at the time. British radio and television personality Chris Tarrant recalls how clearly nervous he was upon meeting Diana for the first time, and how she put him at ease with an incredibly rude joke about Kermit the Frog. Photographer Tim Graham remembers Diana lying on the floor with baby William in order to coax a smile from the young prince. And her chief bodyguard recalls how happy and at peace she seemed on the day he agreed to her simple request: to be allowed to walk, truly alone for once, along a beautiful, deserted beach. Some of these recollections are warm and intimate, celebrating Diana for her ability to make a human connection with everyone she met, others are perceptive and revealing, even about Diana's human failings and frailties. Together, they coalesce into a multifaceted portrait of a woman that the world has long desired to know a little better.

Diana Princess of Wales (A True Book: Queens and Princesses)

The People's Princess Palgrave Macmillan

The royal family of Britain has always been in the spotlight, but few figures have been as beloved as Princess Diana. When Lady Diana Spencer married Prince Charles in 1981 at St. Paul's Cathedral, there were 600,000 people in the streets of London and a TV audience of 750 million viewers. This beautiful biography shows readers the life and work of Princess Diana, who used her celebrity status to do amazing charitable works. One of her most passionate causes was raising awareness of AIDS and challenging the stigma these patients faced. Full-color photographs and images illustrate Princess Diana's story, while fun fact boxes offer bite-sized bits of information.

Diana Crown Archetype

Learn how Lady Diana Spencer became the People's Princess as she takes her place in the ranks of the Who Was? series. A shy twenty-year-old girl stepped out of a horse-drawn coach and into the world spotlight, capturing the imagination of millions as a real life fairytale princess. Although the storybook marriage didn't have a happy ending, Diana learned to use her fame as a way to champion charitable causes near to her heart. She became the People's Princess by humanizing the image of the royal family and showing care and concern for all people, including the homeless, the sick, and others in need.

Diana, A Cultural History Banovallum Books
An updated biography chronicles the Princess' life after the breakup of her marriage and recalls the events leading to her tragic death and unforgettable funeral
The Unforgettable Diana Penguin
Following her untimely death, one can't help but reminisce on the daring personality such as Princess Diana, especially now that her ex-husband is the King. One would wonder what kind of Queen she would have become. Obviously, she would be remarkable, just like she was when she was alive. Inside this book, you will understand that Diana wasn't just a beauty to behold or one of the most popular members of the British monarchy, but she was an influence that moved a lot of people and it is sad that she didn't live for so long, and even sadder that we would never feel her impact as a Queen. But, her works will remain in a lot of hearts she once touched.
