In this modern collection of poetry, I share my spiritual journey from sinner to discipleship. While I still struggle with my demons, I find comfort in the poems that are placed in my heart and I share them because I know that I am not the only one struggling to orient my heart and mind amid the disorientation that we wake up to these days. In a world where lies are given the starring role at center stage in a play of made-up things. I promise these poems will give you much to think

about and contemplate Truth eternal, Love unconditional, Light revealing, and the Salt that gives life flavor. This is certainly not your traditional poetry collection as it flows off your lips and performs visual stunts while challenging your world of mirrors and mazes. You will experience a journey through melodious words that, at times, winds you down a rabbit hole and then sends a lifeline to lift you out of the darkness and into the light of truth and love. When times are especially dark, instead of stumbling and cursing you reach for the Light of the world and salt the earth with truth. **How to Be Salt and Light** Resource Publications (CA) A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

In **The Church Called to be God's Salt and Light**, Dr. Shelton describes those conflicts as he has observed them for almost fifty years. He discusses the conflicts by contrasting the teachings of Cultural Religion and the teachings of Jesus in the Sermon on the Mount. Dr. Shelton

invites readers to theological reflections on the life and mission to be the sald of God's justice and light of God's love in the world. He encourages the church to reclaim her life through the Spirit of Christ as the community of God's Kingdom of grace, mercy, love, compassion, and justice. *Salt and Light* Xulon Press

"America is the center of Christianity in these last days. Seeing that his time is short, the enemy is on the attack, dragging down Christian leaders, destroying Christian homes, destroying Christian values, and attacking the foundations of our nation. Whether we realize it or not, we are involved in a spiritual warfare that has caused the moral values in America to deteriorate more in this last generation than in all of the previous years of our country's history ... The teachings in this book will equip you with the building materials you need to build that ark for you and your family. This book is based on spiritual principles that will help you live in spiritual safety despite the enemy's brutal attacks"--P. [4] of cover.

As I have come to see it, as a result of my researches, the very idea of a "covenant" in primitive thought is a union of being, or of persons, in a common life, with the approval of God, or of the gods. This was primarily a sharing of blood, which is life, between two persons, through a rite which had the sanction of him who is the source of all life. In this sense "blood brotherhood" and the "threshold covenant" are but different forms of one and the same covenant. The blood of animals shared in a common sacrifice is counted as the blood which makes two

one in a sacred covenant. Wine as "the blood of the grape" stands for the blood which is the life of all flesh; hence the sharing of wine stands for the sharing of blood or life. So, again, salt represents blood, or life, and the covenant of salt is simply another form of the one blood covenant.

This inspiring book gives you a splendid example of how to live as a Christian in a secular environment that can be indifferent or hostile to your Faith. For Elisabeth Leseur had two great loves: God, and her husband Felix. Felix loved Elisabeth as well; yet to their mutual sorrow, he couldn't share the life of the Spirit that Elisabeth cherished.

Occasionally the happiness of their life together in upper-class Parisian society was shattered by Felix's frustration and impatience. How could such an intelligent woman waste her time, as he saw it, with ignorant superstitions? Sometimes he and his friends would even ridicule and mock her faith. But Elisabeth loved Felix too much to allow their home to degenerate into an emotional war zone. She realized that confrontations and arguments were useless; she chose instead to keep quiet and pray for Felix. In her secret diary, she recorded how she used his efforts to destroy

her faith as means to grow in love for him and for God. Throughout their life together, it grieved Elisabeth to think that Felix might be separated from her for all eternity because of his rejection of God. For her, life in Heaven wouldn't be happy without him. Yet when she died prematurely, Felix was still an unbeliever. The story doesn't end there. When Felix found this diary, he discovered how Elisabeth's whole life bore witness to the truth of the God she loved. In time, Felix was transformed by the diary and his memories of Elisabeth. He became a Christian and, later, a priest. Now she may even be declared a saint. Elisabeth's diary and spiritual writings (all included in this one volume) map out for you a path to marital harmony and greater love for God especially if you love someone who stands outside the Faith. Let Elisabeth's two great loves, and her faith and perseverance, inspire you now.

This stunning new book of poems from internationally renowned poet Lorna Goodison opens in Spain and Portugal, conjuring up a new history of the Caribbean and a new way of setting up its heritage. The title sets the tone for poems about backgrounds and outlines and shadows and sources of light. This extraordinary

book -- "a wide lotus on the dark waters of song" -- is filled with surprises at every turn, as a Moorish mosque becomes a cathedral in Seville, a country girl dresses in Sunday clothes to visit a Jamaican bookmobile, and a bear appears suddenly, only to slip away silently into the trees on a road in British Columbia. The heartache of Billy Holliday singing the blues, the burden of Charlie Chaplin tramping the banana walks of Jamaica's Golden Cloud, and the paintings of El Greco, the quintessential stranger, come together on the poet's pilgrimage to Heartease, guided by a limping angel and inspired by the passage-making of Dante; the book ends with a superb version of the first of his cantos, translated into the poet's Jamaican language and landscape with the gift of love.

This set includes the all three volumes of Salt and Light. ABOUT VOLUME ONE: Salt and Light presents the life stories of outstanding Chinese Christians who, as early modernizers, promoted China's nation building and moral progress in the early twentieth century. Lively anecdotes and photographs highlight the strong character of ten pioneers in the modern professions of education, medicine, journalism, and diplomacy. These professionals were motivated by faith to introduce practical social reforms and build up China's civil society. They modeled and promoted virtues essential to social progress during the golden age of Chinese Protestantism. Their stories touch on themes important in today's global era: patterns of cooperation between foreign and Chinese partners, the contributions to

China of Western-educated professionals, Christianity's role in furthering East-West understanding and exchanges, and the transnational nature of modern Chinese Christianity. The editors and authors articulate the importance of recovering China's Christian heritage as part of world Christianity. ABOUT VOLUME TWO: The hidden seeds of the Christian renewal in China today include the outstanding Chinese Christians in Salt and Light 2, a dozen new life stories with lively anecdotes and photographs. These reformers made lasting contributions that shaped modern China. Working out of the limelight in their professions, they had quiet but powerful influence on early twentieth-century civil society. Motivated by their faith, they modeled essential virtues. This series helps recover a lost Christian heritage linked closely to a legacy of East-West cooperation in an earlier global era. ABOUT VOLUME THREE: In this centennial year of China's 1911 Revolution, Volume 3 in the Salt and Light series includes the life stories of influential Chinese who played a political or military role in the new Republic that emerged. Recovering this precious legacy of faith in action shows the deep roots of the revival of Christian faith in China today.

When Amy Andrews and Jessica Mesman Griffith met in a creative writing class in graduate school, they both confessed to writing about God. They bonded one night while reading the Book of Ruth and came to truly understand the unlikely friendship of Ruth and Naomi. In these two Old Testament women, they witnessed a beautiful spiritual friendship and a way of walking with one

another toward God. But how could they travel this path together when they would be separated by distance and time and leading busy lives as they established marriages and careers? They decided to write letters to each other—at first, for each day of Lent, but those days extended into years. Their letters became a memoir in real time and reveal deeply personal and profound accounts of conversion, motherhood, and crushing tragedy; through it all, their faith and friendship sustained them. Told through the timeless medium of letters—in prose that is raw and intimate, humorous and poetic—Love & Salt is at its core the emotional struggle of how one spiritual friendship is formed and tested in tragedy, tempered and proven in hope.

Commentary Loyola Press At once prophetic, pastoral, and personal, this book applies the symbols of 'salt' and 'light' as ecclesiological images for reimagining the African Church for today and tomorrow. The proposal of this book is to reconsider the path towards abundant life for God's people in the challenging context of African continent, and through the agency of African Christianity. The

contributors stress the necessity of de-Westernizing African Christianity and ask these fundamental questions: What is the face of Jesus in African Christianity? What is the face and identity of the Church in Africa? What positive imprint is Christianity leaving on the lives and societies of African Christians? Does the Christian message have the potential of positively affecting African civilization as it once did in Europe? What is the relevance and place of African Christianity as a significant voice in shaping both the future of Africa and that of world Christianity?
